PORTA SANTA MARIA NOVELLA

Tutte le soluzioni presentate in questo catalogo in cui è previsto l'uso del Banner in PVC, possono essere realizzate anche in ECOBANNER. Un tessuto di poliestere riciclabile con certificazione ignifuga, stampato con tecnologia sublimatica ed inchiostri green, completi di bordo rinforzato con finitura cucita e supporti in MDF ignifugo per il montaggio a parete. Oppure rifinito con occhielli in alluminio sul perimetro.

All the items displayed on this catalogue that are made using PVC banners can also be made using ECOBANNERS.

This is a recyclable polyester material with fire resistance certificate, printed with an eco ink. The edges of the ecobanners are reinforced and the finish is made of MDF supports (with fire resistance certificate) or with aluminum rings to be fixed on the walls.

ECOBANNER a partire da € 60,00 mq. IVA esclusa.

Il prezzo è da considerarsi indicativo, e può subire variazioni in base al tipo di finitura richiesta.

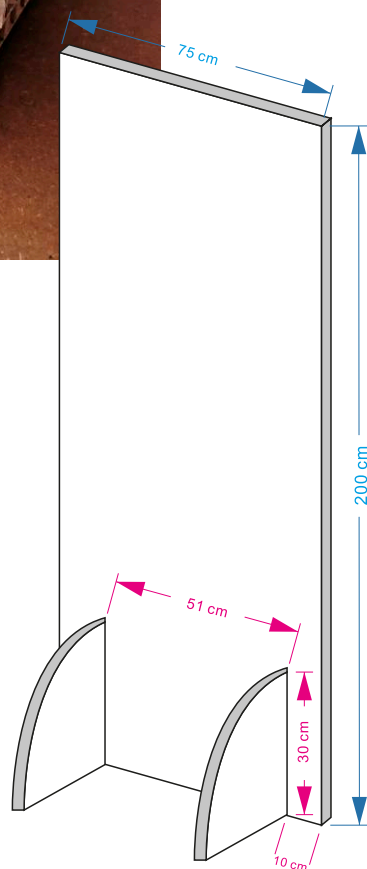

Nell'esempio, 2 banner 200x500 cm al costo di €610,00 cad. IVA esclusa.

ECOBANNER starting from € 60,00/sqm VAT excluded.

This start-price may vary according to the finishing.

E.g. 2 entrance banners 200x500 cm. - €610,00 each VAT excluded.

Tutti i pannelli autoportanti da interno presentati in questo catalogo, possono essere realizzati anche in CARTONE HONEYCOMB. Un tamburato di cartone alveolare con interno a nido d'ape riciclabile con certificazione FSC e trattamento ignifugo.

All self-standing indoor signage displayed on this catalogue, may also be made using recyclable HONEYCOMB CARDBOARD with FSC certificate and fireproof treatment.

ECOCARTONE monofacciale a partire da € 95,00 mq. IVA esclusa.

Il prezzo è da considerarsi indicativo, e può subire variazioni in base allo spessore e al tipo di sostegni richiesti.

Nell'esempio, pannello autoportante 75x200 cm. con sostegni ad incastro: monofacciale: € 140,00 IVA esclusa

bifacciale: € 190,00 IVA esclusa

ECOCARDBOARD one- sided starting from € 95,00/sqm VAT excluded.

This start-price may vary according to the chosen thickness and supports.

In the example, self-standing panel 75x200 cm. with interlocking supports:

one-sided: € 140,00 VAT excluded

two-sided: € 190,00 VAT excluded

Il presente catalogo è da intendersi come una panoramica di allestimento standard. I prezzi indicati includono realizzazione, trasporto, montaggio, smontaggio e smaltimento.

Qualora il Cliente abbia necessità o richieste non contenute in questo catalogo, saremo lieti di studiare e realizzare soluzioni personalizzate.

This signage proposal catalogue is meant to point out a selection of standard solutions.

Prices include production, transportation, set-up, dismantling and disposal.

In case the Client may have particular requests not contained in this overview, we'll be glad to examine and provide other solutions to meet their needs.
